

## BIOGRAPHICAL NOTE

**José Alberto Molina**

**University of Zaragoza (Dpt. Economics and IEDIS), IZA and GLO**

**June, 2022**

José Alberto Molina is Full Professor of Economics (University of Zaragoza, Spain) since 2012. He is the Director of the Institute on Employment, Digital Society and Sustainability-IEDIS (University of Zaragoza, Spain) since January 2021. He is also Research Fellow at IZA (<https://www.iza.org/>) and GLO (<https://glabor.org/>). Professor Molina has been Visiting Fellow at Warwick University (UK), at the University of Rhode Island (US) and at the Boston College (US). He is international reviewer of JCR journals, of research projects and grants, and of doctoral theses. He is currently Associate Editor of *Applied Economics*, *Applied Economics Letters*, *Journal of Family and Economic Issues*, *PLOS ONE*, and *Review of Economics of the Household*.

The main research area of Professor Molina is microeconomics and, particularly, population and family economics, labour economics, urban mobility and well-being, with specific interest in intra-household allocation and inter-generational transfers.

Professor Molina has edited two books of Springer: "Household Economic Behaviors" in 2011 (<https://www.springer.com/gp/book/9781441994301>) and "Mothers in the Labor Market" in 2022 (<https://link.springer.com/book/10.1007/978-3-030-99780-9>).

José Alberto Molina has published in *Ecological Economics*, *Economic Inquiry*, *Economic Modelling*, *Economics of Education Review*, *Energy Policy*, *European Journal of Health Economics*, *Feminist Economics*, *Journal of Agricultural Economics*, *Journal of Policy Modelling*, *Journal of Population Economics*, *Journal of Regional Science*, *Journal of Transport Geography*, *Journal of Transport Economics and Policy*, *Kyklos*, *PLOS ONE*, *Review of Economics of the Household*, *Transport Policy and Transportation Research Part A: Policy and Practice*, among others.

Finally, Professor Molina has been the Dean of the Faculty of Economics and Business Studies of the University of Zaragoza during a decade (2005-2015), and the President of the Spanish Association of Deans of Economic and Business Studies (2009-2011). Professor Molina is ranked in the top 2% of Economists in Spain (IDEAS-RePEc) and in the top 4% of Economists in the world (IDEAS-RePEc).
